Leotards

I have very little stock of leotards on hand. Some families have leotards put aside. If these are not paid for and collected, they will be sold to waiting gymnasts.

A new order will be put in this week to secure more. These will not arrive till 30th June. If you require one, please see Janice

Gymnasts who do not have their fees up to date will not be able to participate in the competition
